Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Saturday 17 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny and very warm, locally hot at times.

Today:
Generally a dry and bright day with plenty of strong sunshine. Temperatures quickly rising with a hot day across much of the region, possibly a touch cooler by the coast with a light onshore breeze. Maximum temperature 29 deg C (84 deg F).

Tonight:
It will be a dry and sunny evening and continue to feel warm. Overnight the skies will stay clear, although it may turn misty by dawn near the coast. Minimum temperature 16 deg C (61 deg F).

Sunday:
A dry and sunny day for much of the region. Feeling hot, but a risk of showers developing across Lincolnshire in the afternoon. Maximum temperature 31 deg C (88 deg F).

Outlook for Monday to Wednesday:
Cloudier on Monday morning with outbreaks of drizzle near the coasts, improving into the afternoon with some sunny spells. Variable cloud through Tuesday and Wednesday but mostly dry. Staying warm.
